2. About 200 troops with 21 trucks, 3 trailers, 2 generators and 3 prime movers were observed when arriving at the Kammersdorf railroad station from the direction of Bernburg.

1. Comment: The shipments listed under 1 (a) are believed to have moved units of the 34th Artillery Division sent to Altengrabow on 19 February, back to their stations. [REDACTED] The shipment reported under 1 (b) probably returned to Brandenburg a unit of the 124th Heavy Howitzer Brigade which had been sent to Altengrabow by road on 17 February. The shipments given under 1 (c) apparently comprised units of the 32nd Anti-Aircraft Division which had been moved to Altengrabow on 16 February.
